

SSD M.2 SATA

Description

The SSD Consumer portfolio of S3 + includes multiple formats. The 2.5-inch format is the ideal solution for expanding desktop PC storage or as a replacement drive for laptops. SATA drives with SATA and M.2 format are the ideal choice for ultra-slim laptops. The ultra compact S3 + SSD with USB-C interface guarantees top performance and a USB-C connection at a speed of 10 Gbps (USB 3.1 Gen 2) to instantly transfer videos, photos, music and more; is the perfect companion for your Mac. Easy to set up and powered via the bus, it does not require an external AC adapter. Easy to store in your bag or pocket, it is the perfect storage and backup solution always at your fingertips.
